Introducing...

Born to be **WILD** ... in Colorado!

Produced & Photographed by W. Perry Conway, Teacher & Naturalist.

Colorado has among the greatest diversity of wildlife of any state in America. **Born to be WILD** highlights many of our most exciting species. Behavior, raising of the young, conservation and safety issues are all covered in this highly educational multi-media presentation. At the end, LIVE ANIMALS from Colorado are shown to enhance the program's overall educational impact.
