

Aerie Nature Series... Giving Students Something to READ & WRITE ABOUT...

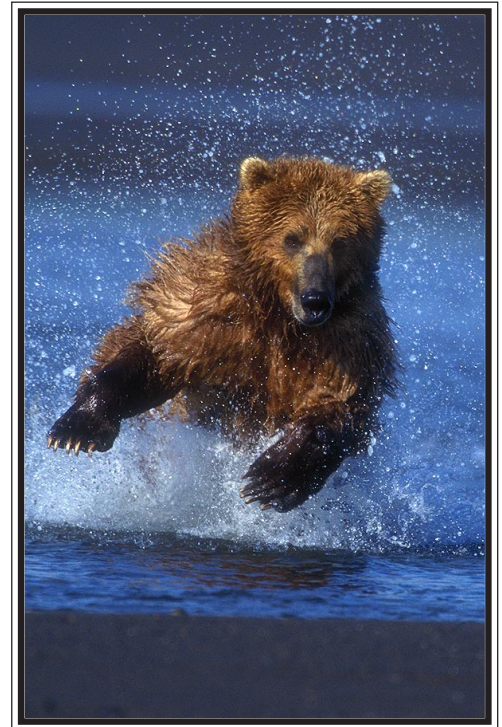

Predators of America

The animals we love... then love to hate; this multi-media presentation deals with the importance of predators as an integral part of the wild world around us. At least three **LIVE PREDATORS** accompany each program.

Predators in Action

Cougar Chasing Deer

Charging Grizzly

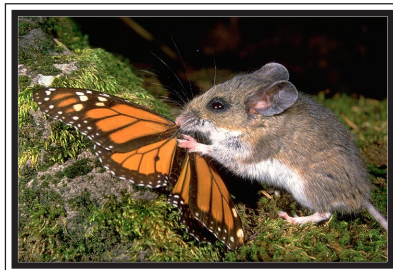

Produced and Presented by...

W. Perry Conway, Teacher/Naturalist

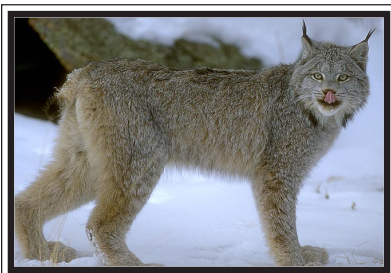

Robins Eating Earthworms

Deer Mouse Eating a Butterfly

Reintroduced Predators

Lynx in Colorado

Wolves in Yellowstone

AERIE NATURE SERIES...quality since 1974
